A Resource Bank For All Things Samsung

As one of Samsung's registered Climate Solutions partners, you will have access to our Partner Portal and its many benefits. Whether you are looking for marketing materials or technical product documentation, requesting technical support or subscribing for training, the Samsung Climate Solutions Partner Portal offers you everything you need to consistently deliver the best results.

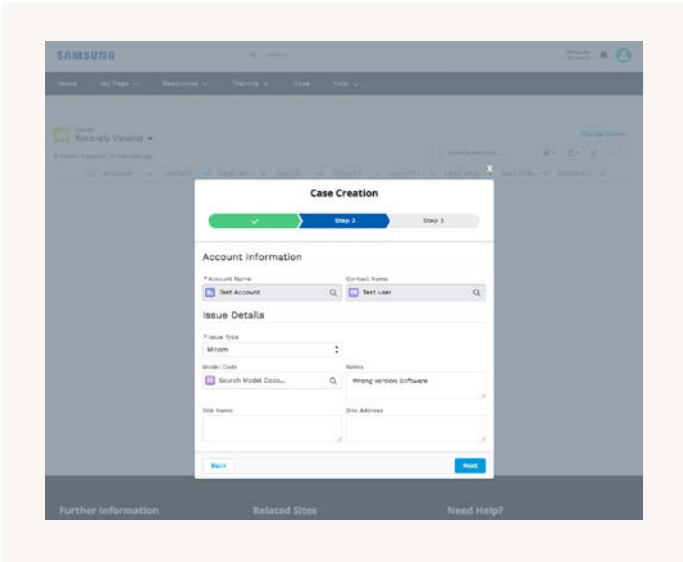

Access Technical Resources

The Technical Resources section allows you to find all relevant information to understand the product's functionality and to prepare and design projects. Ranging from technical data books, BIM files and certificates to exploded views, drawings and different kinds of manuals, a library full of technical information is at your fingertips.

Obtain Marketing Resources

Potential buyers like to know you are on the cutting edge of Samsung's latest innovations. To allow you to align with Samsung's marketing initiatives, the Partner Portal provides you with useful downloadable assets such as images and videos, designed to make your marketing activities easy and effective.

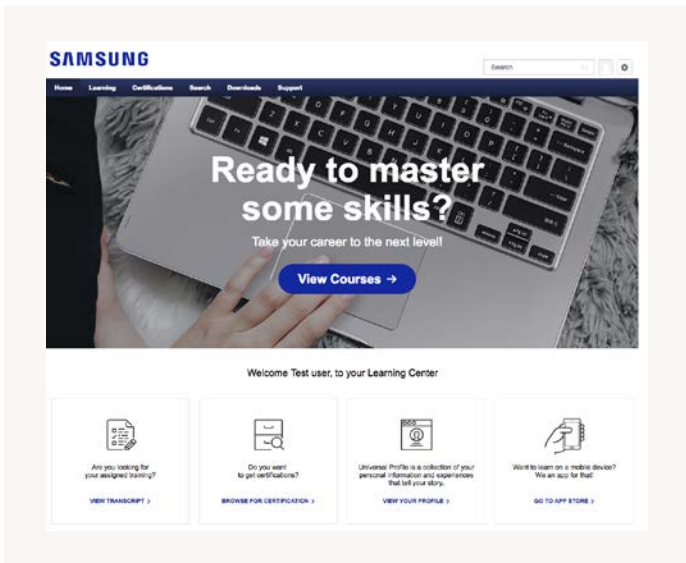

Request Technical Support

Through the Samsung Partner Portal you can easily request technical support by raising your case using our built-in ticketing system. You can rest assured that our well-trained technical experts will work to solve your issue as soon as possible.

Register for Training

If you are dedicated to becoming a Samsung climate solutions expert, you can access Samsung’s educational portal for training sessions by experienced trainers. The portal allows you to search for online courses and materials, test your climate solutions knowledge, and more. The Samsung Business Academy is here to help you succeed.*

* The registration process and availability of training courses may differ per country. Please contact your direct Samsung contact person for more information.
